## **Match Headline : Match Headline : Circus Circus** *( report courtesy of AI )*

Not so much a game of two halves but a Circus played in two tents. Tent One – The Big Top with dazzling skills on display. Tent Two – A ludicrous sideshow of unbelievable and appalling antics.

Unfortunately the game began in Sideshow Alley with a bizarre debate about kick off time, Sideshow Bob having decided on his own that it would be better to kick off 45 minutes after the published league scheduled time and the time that everyone else had been told. This started the referees nightmare as Sideshow Bob – who was changed, ready to play and on the pitch at 3.45 screamed at him that that Kick off was not for another half hour, leaving the ref and everyone else bewildered. The ref was in for a bad day.

Thankfully the action started and we moved to the Big Top and as everyone would expect a tight and at times high quality game commenced with a good quality passing game from the Wanderers and a slightly jaded but still dangerous Do It testing each other out. Do It had the earlier chances but squandered them with a few rushed shots failing to truly test the talented Wanderers keeper and some great last line defending from the Wanderers back line. Wanderers were content to pass it around and wait for the killer punch and it came in the 30<sup>th</sup> minute as Arifin came on (maybe he thought KO was 4.15?) and skipped a few poor challenges from Do It and tucked away a shot to make it 1-0. **Half time.**

After ten minutes more real football the second half descended back to the Sideshow with screaming and shouting drowning out the good football. Sideshow Bob was eventually booked but that sparked Eladio into being booked for dissent and it all went ridiculous with the referee being chased across the pitch in fear of a lynching by Wanderers players. Cue Benny Hill Music as the chase goes on and Do It at least left wondering whether the game would be abandoned or if the ref would just keep running. Remarkably, following a ten minute respite on the touchline the ref restarted the game and even more remarkably allowed Wanderers to continue with 11 players after what must have been a red card offence.

Thankfully things moved briefly back then to the Big Top where good quality football started to come on show again – this time with an added edge, but competitive games are to be expected and both teams play with a physical style and have the talent to make a good game. Do It pushed hard for the equaliser and a few more chances went begging including one cleared off the line by Pedro. Eventually the goal came when Graham blasted in an unstoppable 30 yarder through a crowded box after a corner was cleared and all was set for a tense last few minutes.

Graham had the best chance of the game to win it but his lob dipped ominously over the bar and the minutes later when all seemed like a draw Wanderers made a breakaway and the strength of Hernando created an own goal. **Final score Wanderers 2 v 1 Do It.**

Hats Off to the Wanderers when they pass the ball around The Big Top and play quality and competitive football – we enjoy that and are happy to be beaten by any better side.

Shame on the Wanderers for The Disgraceful Sideshow. – it overshadows everything and has stopped this league being enjoyable.
